Subject: POS 18 Calibration Wells Summary Investigation Report Draft Final

Hello Beverly,

Attached, please find the Draft Final of the POS 18 Calibration Wells Summary Investigation Report. I attempted to send the Word and PDF versions using both my BAH and EPA emails, but could not due to file size (20MB limit), so I will send the Word version right after this. Chris and I will be travelling tomorrow, but if you have any questions please let us know. Thank you.
